

IT QA Manager

Founded in 2015 to address the unmet financing needs of SMEs, **Validus is today the largest online lending marketplace in Singapore** with a growing presence in Indonesia, Vietnam and Thailand.

An award-winning Fintech, Validus uses data analytics and AI to provide growth financing to SMEs via funds from HNWIs and institutional investors. Backed by global VCs, our mission is to drive financial inclusion for SMEs through technology, data and industry collaboration.

As with the SMEs we serve, we may be small but together we are a mighty force! Our success is dependent on what each of us does, how we do it, and our belief that we can always do better. We're building a strong team of passionate, capable individuals who are committed to making Validus the best online lending marketplace in the region.

Background

We are looking for a seasoned professional who will work with Validus Group Tech team (in Singapore) to manage IT Quality Assurance function, covering multiple regional markets – Singapore, Vietnam, Indonesia and Thailand. Validus is a leader in SME online financing (Fintech) and has been accredited as a Top Fintech as Singapore Financial Institution at MAS Fintech Awards.
